Join Us During the Sunday 9 a.m. Hour for this New Adventure in Faith Lessons – Fire on the Mountain

When the Israelites left Egypt, they were finally free: free from persecution, free from oppression, and free to worship their own God. But with that freedom came a new challenge - learning how to live together the way God intended. In this ninth volume of Faith Lessons by Ray VanderLaan, discover how God teaches the Israelites what it means to be part of a community that loves Him and the lessons we can begin to live out in our lives today. Join Tim Headley as he facilitates this class in Room B7a at 9 a.m.

A Special FREE Gift for You!

If you weren't able to worship with us last weekend, be sure and pick-up a free CD at the Welcome Center or stop by the church office during the week. Last Sunday all families attending worship received this Tommy Oaks CD entitled, *Making Sense Out of Dollar\$*. Tommy and John Thomas put this CD together for us by combining two of their CD-of-the-month selections, which were actually recorded at two different churches. Tommy teaches and shares concerning what God's wisdom in the book of Proverbs has to say about stewardship. This is a welcome addition to our summer sermon series from the Proverbs: Wise and Otherwise.
