

Christian Care transforms lives. By providing safe shelter, support and resources, Christian Care empowers both the homeless and survivors of domestic violence to make positive changes in every aspect of their lives. Christian Care is grounded in the following core values: spirituality, relationship, caring, passion, empowerment and integrity. The organization uses Christian values to balance love and compassion with accountability and responsibility as they encourage men, women, and children to radically change their thinking and lifestyle—in essence, to become productive citizens in the community. It is a goal of Christian Care to show the people they serve—the homeless, victims of domestic violence, veterans, men and women coming out of prison, and those with mental illness—that they are not alone and that God always walks with them. They provide for residents' physical needs, such as safe shelter, food, clothing, and personal care items. But they also focus attention on the spiritual, emotional, and mental needs of residents. Residents have the opportunity to attend Chapel Services and Bible Studies on site, and they are encouraged to attend services at a church or religious center of their choice. They are welcome to stay for as long as they continue to work on improving their lives.
