God's sending of the Gainers to the Ukraine

In 2006 we followed God's calling to go to Ukraine, starting with going to school in Lincoln, IL. In spring 2009 our schooling will be finished and we will be leaving for the first leg of our journey, Language School at Columbia in South Carolina. We will finish our language courses in the summer of 2009 and will be leaving for the Poltova region of Ukraine in the fall.

In 2007 we started working with KontaktMission USA. KontaktMission focuses on church planting and currently has church planters in over 20 countries.

In Ukraine, we will be joining a team that is currently working there. We will help to establish new churches, train nationals to take leadership roles in the churches and start Bible studies. Most importantly, we will be teaching Ukrainian people about Jesus and His love. Only 2.7% of Ukrainians have a personal relationship with Jesus Christ.

The verse of our ministry is Luke 10:2 – *The harvest is plentiful, but the laborers are few; therefore beseech the Lord of the harvest to send out laborers into His harvest.*

This is the verse that prompted us to answer the call. Tommy Oakes preached on this during a revival several years ago and this was the point at which Jenny and I knew what God was calling us to do. It was a huge moment in both our walks with Christ.

Please pray for stronger faith and obedience, and for hearts open to God's voice.

After June our contact information will be:
